**Commercial Labs in Wisconsin which Test Food Products**

Wisconsin labs which test food samples for pH and/or water activity (a_w). Contact the company directly **before** shipping or dropping off samples. Most services are cash-on-demand. Results will be emailed or faxed to the customer; results can also be mailed.

**Lab report** should list: 1) Sample ID, 2) Sample production date, 3) Analysis date, 4) Result(s). Sample ID must clearly link to recipe.
